Who Passed Away 11 Years Ago
On August 28, 2008

Dear Karen . . .
If we could visit Heaven, just even for a day,
Maybe for a moment the pain would go away.
We would put our arms around you
And whisper words so true
That living life without you
Is the hardest thing to do.
No matter how we spend our day,
No matter what we do;
No morning dawns or evening falls
That we do not think of you.

A golden heart stopped beating,
Hard working hands now at rest.
God’s garden must be beautiful,
He only takes the best.

Evelyn, Elizabeth,
Gladys and Edie

Thank you to everyone who helped organize
and came out to my retirement party. I was
completely overwhelmed by the support shown
to me. Thank you so much for the cards, gifts and kind words. Over my
31½ years at the Library I have served many people, met newcomers to
the area, watched so many children go through the school system, and
made some wonderful friendships! Thank you for allowing me to be a
part of your life -- I will miss you all!

Remembering a Wonderful Son
THE LATE DARRAH LONG

July 23rd, 2018 we had to say good-bye
It’s hard to believe it's already one year,
There’s not a day goes by,
That I don’t shed a tear.

There’s not a day that I don’t think about you,
But Darrah, I loved you so,
I’ve cried and tried to fathom it out,
And wonder why you had to go.

I miss you humming in the car port
While you were chopping wood;
You always wore your favorite sweaters,
The navy and brown ones with the hood.

I miss your light in the bedroom
Where you would sit and watch TV,
While I would sing and play my guitar,
You were such good company.

You were such a wonderful friend;
We went in all kinds of weather,
Especially to the Village Restaurant,
Where we had many lunches together.

I visited you in the hospital,
You hated to be alone;
God couldn’t see you suffer any more
So he gently called you home.

You now have the greatest Physician by your side,
He will look after all your needs;
I miss you more than words can tell
But I’ll follow where He leads.

Jesus is my very best friend,
I know He’ll look after me;
I'll hold all your memories close in my heart
Till again your face I see.

Missing you more every day.
Love you, Darrah
Mum (Alice Long)

THINKING OF BUILDING OR RENOVATING?
Call (506) 778-5359 to talk to the Miramichi District Planning Commission.

In June, July, August and September, their representative will be at the Doaktown Village Office on Tuesdays and you can make an appointment to meet him there.

Information brochures to help you prepare for your meeting with the Inspector are available at the Village Office so drop in or call 365-7970, Ext. 103.

If your project is less than 300 square feet, you may not need a permit. However, any construction that involves structural changes will require a permit to be issued. You should call and ask.

We do want to see construction and development in our village, but we also want it to conform to our building codes for the protection of all concerned.

We can also provide you with a list of contractors but if you are a contractor and would like your contact information added to this list, please call Karen at 365-7970, Ext. 103.
