The Village of Doaktown and the Rural Community of Upper Miramichi wish to announce the appointment of Nolan Astle as Building Inspector/Development Officer for Central New Brunswick Development & Planning. Two communities working together to provide a service that will be easier to access than in the past.

Nolan brings with him 20+ years of experience in the Industrial, Residential and Commercial Construction Industry. His focus will be to provide our area with courteous service, in the least amount of time possible, while adhering to the Rural Plans of our Communities. This is where we are counting on all contractors as well as individuals to apply for the permits as required by our Rural Plans. We do not wish to make this a difficult process; however, we will have to enforce the policies of our Rural Plans.

Please join us in welcoming Nolan to this position. We look forward to providing this service locally.

Welcome, Nolan!

THANK YOU FROM THE CENTRAL NB SELF HELP

Words cannot express how grateful Self Help is to ALL the individuals, churches and organization who supported us over the Holiday Season. Special thanks to Renee Godin and the *Angels for Angels* at UPS for providing all the food needed for a complete Christmas Dinner plus all the wonderful gifts for the children. *Angels* work all year on their own time holding fund-raisers, collecting recyclables, and having draws so they can raise money to help the needy. Every year they pick a different organization and the Central New Brunswick Self Help was blessed to have been chosen this year.

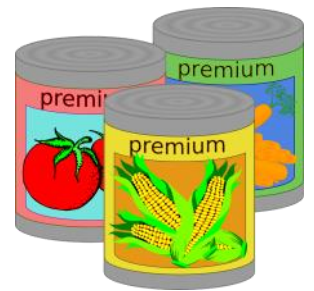

Thanks to the local detachment of the RCMP for holding their first annual food drive and to all those who donated to this event (over 1,700 pounds of food was raised in addition to monetary donations).

We would also like to express our appreciation to the *Under 9 Hitmen* for holding a toy drive, and to *Joey's Independent Store* for their donation of teddy bears for the children.

The number of donations we received this year (especially at Christmas time) was overwhelming and we couldn't have been more thankful for the support.

Last but certainly not least, I would like to say a sincere thank you to all the volunteers who have given so freely of their time throughout the year. We would not be able to do the work we do without you.

Thank you, everyone, for your generosity.

2022 SALMON SPECTACULAR RAFFLE

We are delighted to announce that, in less than five weeks, all 999 tickets on our first-ever offering of the *Salmon Spectacular Raffle* were SOLD! In the midst of all that excitement, our Early Bird draw was held on Thursday, December 16 and three lucky winners were presented with some very special Christmas gifts:

Third Prize (a gift basket valued at \$300) – Reece Cain

Second Prize (a custom-made toboggan and wintertime treats valued at \$650) – Grant Ross

First Prize (a travel voucher worth \$3,000) – Susan Harris

The draw for the remaining 25 prizes will be held on **Saturday, April 9** in conjunction (COVID permitting) with our annual *Guides Breakfast*. Stay tuned for updates.

On behalf of all of us at the Atlantic Salmon Museum, thank you to everyone who made this event so “spectacular.”

THANK YOU, DAVID MCCANN . . .

The Atlantic Salmon Museum is honored to count Mr. David McCann as one of its most faithful supporters. David is a Vancouver businessman and philanthropist with strong ties not only to the Granville Island area of British Columbia but to many communities throughout the world.

Like all of us, David has witnessed the impacts of the ongoing pandemic and particularly the toll it has taken on our health care professionals and emergency responders. In what he sees as a “small token of appreciation,” he commissioned a “thank you” poster from artist Hilary Morris and asked his friends (including the Salmon Museum) to arrange for them and some special Christmas treats to be delivered to the staff of health care facilities, seniors homes, and ambulance and fire services in their area.

We join David in thanking all of you for the work you’ve done -- and continue to do -- to keep us all safe.

NOTE: Shown in the photo is Chris Sturgeon of the Blackville Fire Department. Parcels were also delivered to the Doaktown and Boiestown Fire Departments, the Community Health Centres in both Doaktown and Boiestown, the Wall’s Special Care Home in Blackville, and the Central NB Nursing Home in Boiestown.

WINTER HOURS are now in effect at the Salmon Museum: Wednesdays (10 am – 4 pm) and Thursdays (10 pm – 8 pm). Stop by and pick up a ticket on our *Salmon Museum and Friends* lotto – for the next few months, we’ll be sharing some of our proceeds with Principal Sonya O’Donnell and the Doaktown Elementary School. And *Chase the Ace* is still going strong – our jackpot now stands at almost \$10,000 with “only” 42 cards left in play.

Don’t feel like coming out in the cold? No worries – you can buy tickets on both of our lotteries simply by sending an e-transfer to museum@nbnet.nb.ca. If you need more information or maybe just a little help, call us at 506-365-7787. And remember: to keep both our visitors and our staff safe, proof of (at least) dual vaccination will be required inside our building, and masks must be worn at all times.

Why is it that eggs come in flimsy Styrofoam cartons while batteries come in a package only a chainsaw can open?

In the 1980s, A&W tried to compete with the McDonald's Quarter Pounder by selling a 1/3 pound burger at a lower price. The product failed because most customers thought the quarter pounder was bigger. This is why I don't argue on Facebook.

The first bottles of Coco-Cola made in 1894 contained around 3.5 grams of cocaine.

Explains why our grandparents could walk the five miles to and from school, uphill, both ways, in the snow and barefoot.

We've been looking for the number for heaven, Mom, just to call you one more

time. Not a day goes by where we don't miss you. You wouldn't believe how big the kids are getting - Samuel would tower over you, and you and Chanelle might be able to trade shoes. Dad has lots of projects to keep him busy and the rest of us are busy with work and other assorted activities. One thing we all share is how much we miss you!

Did you still need your parents at age 10, age 12... what about at age 14 or 16?

Social Development invites you to learn about foster care and older child adoption in New Brunswick. There are children and youth in our communities who need a loving, supportive home to grow up in.

Find out how you could be the difference for a child

Aviez-vous encore besoin de vos parents à l'âge de 10 ans, de 12 ans ou encore à l'âge de 14 ou de 16 ans ?

Le ministère du Développement social vous invite à en apprendre davantage au sujet des familles d'accueil et de l'adoption d'enfants plus âgés. Il y a des enfants dans nos communautés qui ont besoins d'un domicile qui offre de l'amour et du support.

Canada 

We want to extend our thanks and gratitude for the generous support of our program, funded by the Government of Canada's New Horizons for Seniors Program. In March 2021 our library received a grant for \$16,845. These funds have been used to purchase equipment to enhance our Chair Exercise Class for seniors and make the class more accessible to individuals with disabilities. We are holding a Virtual "Kick-Off Class" to officially launch the new equipment on February 15th!!! Please call the library to preregister! 365-2018

The library partnered with the Alzheimer Society and the Doaktown Elementary School to send "kindness-grams" to the residents of Central New Brunswick Nursing Home.

Each resident received two cards written and decorated by DES students, two bookmarks and a candy cane!

The Library collected 64 Christmas cards that were forwarded to our Canadian Soldiers working overseas this Christmas Season. Thank you, Doaktown Elementary School students and staff, for supporting this valuable project!
